

Deer Farmers' Environment Awards 2015

Brian and Kristine Russell The Rock, Dipton

Judges' Comments

- Excellent development of a Health & Safety Plan identifying risks on the property and in the business.
- Very good protection of significant valued areas on the property and recognised the community benefit for ensuring locals had continued access to those areas.
- Good recognition of risks on the property with good planning to implement suitable mitigation.
- Excellent support of industry activities and involvement in the local community.
